

A-840-001
Terms and Conditions of Purchase

As a supplier, it is understood that when accepting Aeroforge purchase orders, your organization agrees to meet the following AS9100 requirements:

1. Aeroforge requires the supplier to maintain the proper identification and revision status of specifications, drawings, and other relevant technical data.
2. Aeroforge reserves the right for final approval of all products, services, and processes provided.
3. Aeroforge requires that all processes and tasks be performed by competent and qualified personnel.
4. Aeroforge reserves the right to monitor supplier's performance including:
 - a. Quality of product, service, or process
 - b. On-time delivery of product, service, or process
5. Aeroforge reserves the right to designate requirements for verification or validation activities that Aeroforge or the end customer intend to perform at the external provider's premises.
6. Aeroforge reserves the right to specify any specialty requirements, critical items, or key characteristics.
7. Aeroforge reserves the right to approve or specify any test, inspection, and verification.
8. Aeroforge reserves the right to approve or specify the use of statistical techniques for product acceptance and related instructions for acceptance by our organization.
9. Aeroforge requires the Supplier to:
 - a. Implement a quality management system.
 - b. Inform Aeroforge of any changes to the external certification status or any information provided in the vendor survey.
 - c. If required on the purchase order, use only customer designated or approved suppliers.
 - d. Notify Aeroforge of nonconforming product or services immediately and obtain approval for nonconforming product disposition.
 - e. Supplier shall implement processes to prevent the use of counterfeit parts.
 - f. Notify Aeroforge of changes in product and/or processes, changes of suppliers, and changes of manufacturing facility locations. Aeroforge reserves the right to approve such changes.
